Dual-Income Investment in Centenary Heights

Set on approximately 733 square metres in Centenary Heights, this tenanted duplex offers two separate residences, established rental income and a practical layout suited to long-term investment.

The property includes a three-bedroom residence and a two-bedroom residence, each with its own living spaces, laundry facilities and private outdoor area. With both units secured under fixed-term tenancy agreements, the property provides an immediate combined rental return of \$740 per week.

and sunroom, leading through to the larger of the two private yards with its own clothesline. A separate shed provides secure storage or vehicle accommodation.

Unit 1 offers two bedrooms and an open-plan living, dining and kitchen area. A Mitsubishi inverter air conditioner services the main living space, while the original kitchen includes a combined Euromaid cooktop and oven.

The separate laundry includes cupboard storage, with the toilet positioned separately from the main bathroom. The sunroom provides an additional usable space, with stairs leading to the private yard. A dedicated carport completes the residence.

Both units are accessed by a shared driveway, while separate yards provide each household with their own outdoor space and a greater sense of independence.
