Fantastic Family Living!

Cleverly designed to accommodate the growing needs of a modern family, this home presents a fantastic combination of style and practicality. This stylish residence boasts four well appointed bedrooms, with the master bedroom at the far end of the house, allowing for a great sense of separation from the, rest of the sleeping arrangements. The master bedroom features a walk-in robe and an ensuite with double vanity. The remaining bedrooms are close by the main bathroom, and the kids activity room – given a space of their own to enjoy.

The modern gourmet kitchen is a great space to enjoy, with a full walk in pantry, and the home chef will be equipped with stainless-steel appliances and sleek stone benchtops, with plenty of prep space on hand. This area is well attached to the heart of the home, with a large meals & living area on offer, again giving every member of the family space of their own to enjoy.
