

29 Eastview Road, Church Point

North East Pittwater Panorama - First Time Offered In 50+ Years

Tightly held by the same owners for over 50 years, this much-loved Church Point home commands a spectacular north-east aspect with a sweeping 180-degree panorama across Pittwater.

Lovingly maintained and immediately comfortable, the five-bedroom home offers generous proportions, high ceilings and a flexible layout, providing an excellent foundation to update over time or the scope to create something entirely new.

Living spaces extend to a covered outdoor deck where the Pittwater panorama takes centre stage, while the north-east facing rear lawn provides a private, sun-filled setting. Separate side access adds further flexibility, with potential to accommodate extended or multigenerational living.

A pedestrian walkway at the end of Eastview Road provides direct access down to the foreshore, placing Pasadena, Church Point Kiosk and the waterfront within easy walking distance.
