

13 Delecta Avenue, Clareville

## Private, architect designed oasis, just moments to Clareville Beach

Nestled over Clareville Beach with wraparound views across the waterfront, this extraordinary residence lays claim to one of Pittwater's most desirable settings. Designed by Stephen Lesiuk and built by Contemporary Builders, the architecture draws the eye to its elegant simplicity, clean, uncluttered lines layered with the rich tones of reclaimed hardwoods reveal a beach house of quiet refinement, this is a home you can't wait to escape to.

On approach, the scale of the residence is not immediately clear, the sculpted contours of the land leave only the roofline and curated gardens in view, creating a sense of unrivalled privacy paired with panoramic views across the harbour at Clareville Beach; extensive glazing frames what is a truly remarkable outlook. Light-drenched living zones under soaring ceilings are visually connected but blissfully separate with tallwood decks providing a seamless transition between indoors and out.

The innovative layout is thoughtfully planned with state-of-the-art indoor and outdoor kitchens connecting at the rear terrace for easy entertaining; floors are blanketed with a combination of polished concrete and reclaimed spotted gum, while carefully curated
