Timeless Clareville Cottage on Level Beachfront Land Just Steps to the Sand

Set beneath towering Norfolk Pines with sparkling Pittwater views beyond, this tightly held Clareville residence is the kind of property that rarely changes hands. Held by the same family for generations and resting on a large level parcel directly beside Clareville Beach, it offers an extraordinary opportunity to secure one of Pittwater's most peaceful and idyllic waterfront settings. With no immediate neighbours, dual access and the Clareville Kiosk just footsteps away, the atmosphere here feels wonderfully private, nostalgic and deeply connected to the water.

Immaculately maintained in its original condition, the home is rich in character and warmth, with beautifully preserved period details throughout. Ornate ceilings, picture rails, leadlight doors and a striking brick fireplace speak to its heritage, while the freshly painted exterior and pristine interiors make it immediately comfortable as is. Bathed in natural light, the sunroom captures the essence of Pittwater living, opening through French doors onto level lawns and tranquil views across Clareville Beach where boats sway gently on the water beyond.
