Low-Maintenance Corner Block Living with Private Entry

Set on a corner block, this well-presented three-bedroom, two-bathroom home offers a practical layout, modern finishes and easy-care living in a convenient coastal pocket. A private gated entry framed by established bushes creates a welcoming sense of separation from the street, while the overall design keeps maintenance to a minimum.

Inside, durable wood-look flooring runs through the main living areas, complemented by a large separate theatre room for added flexibility. The open-plan kitchen, living and meals area is functional and well connected, while the bathrooms have a clean, modern finish. The master bedroom includes his and hers wardrobes and an ensuite, while all bedrooms are fitted with built-in robes.

Outside, the home continues its low-maintenance appeal with a shaded side area and an alfresco at the rear, providing a comfortable outdoor space to relax or entertain. A solar panel system adds further practicality to the home.
