

36 Banks Avenue Harris River, Collie

Prestige Acreage Living

Set in one of Harris River's most tightly held lifestyle pockets, 36 Banks Avenue is a private estate style property offering space, privacy and genuine family luxury on 4.34 hectares, approximately 10.72 acres, with Collie River frontage and sweeping views across the lower paddocks.

The substantial brick homestead has been designed for families who want room to move without compromising on comfort. High ceilings, polished Jarrah floorboards, decorative ceiling roses, ducted reverse cycle air conditioning and a wood fireplace give the home warmth, character and year round liveability.

At the heart of the home is a generous open plan kitchen, dining and living area, complete with new kitchen appliances, excellent bench space, pantry storage and a natural connection to the outdoor entertaining zone. Alongside this central hub, the home also offers a formal lounge and a separate games room, creating three dedicated living spaces for families, guests and entertaining.

Accommodation is impressive, with five oversized bedrooms, four with built in storage. The master suite is privately positioned and features a large walk in robe and spacious ensuite, while the main bathroom is also generously sized and well suited to family living.
