

646 Congo Road, Congo

A Private Coastal Sanctuary in Congo

Privately positioned within the tightly held coastal community of Congo, this beautifully secluded single-level residence offers a rare combination of space, tranquillity and an exceptional connection to nature.
Backing directly onto National Park and just a five-minute walk from the beach, the property enjoys an enviable coastal lifestyle surrounded by established native gardens and natural bushland, with Congo Creek also within walking distance.
Designed to embrace its natural surroundings, the home offers three bedrooms, a study and multiple living spaces, providing flexibility for relaxed family living, visiting guests or working from home.
At the heart of the home is a modern open-plan kitchen featuring gas cooking, flowing effortlessly into the main living area beneath an impressive raked ceiling. Opening skylights invite natural light and fresh coastal air into the home, enhancing the sense of space and connection with the outdoors.
A Nectre wood fireplace creates a warm and inviting atmosphere through the cooler months, complementing the home's relaxed coastal character.
Two separate decks extend the living areas outdoors, creating peaceful spaces to enjoy a morning coffee, entertain with friends or

simply take in the surrounding native gardens and bushland. A heated outdoor shower is perfectly suited to the coastal lifestyle after a swim or beach walk.
For those who enjoy growing their own produce, the established Wicking Bed vegetable garden provides a productive and practical addition to the property, with plenty of scope to expand.
Water security is well catered for with both bore water and a substantial 30,000-litre rainwater tank, adding to the property's practicality and self-sufficient appeal.
