

5 Furneaux Street, Cooktown

PERFECT POSITION

Discover an affordable, centrally positioned four-bedroom, one-bathroom home set on a generous 2102m² block in the heart of Cooktown. Yes, it's a little outdated and ready for some TLC - but once refreshed, this property has all the makings of a true diamond.

Featuring hardwood floors, an open-plan living area, a walk-in pantry, and large bedrooms, the home offers a solid foundation for renovation and personalisation.

Relax on the spacious veranda and enjoy views of the distant hills with glimpses of the Endeavour River. An established mango tree provides seasonal fruit, adding to the charm of the property.

With ample room for a large shed, this block offers flexibility and future potential.

Whether you choose to renovate and move in, rent it out, or transform it into a B&B, the possibilities are wide open.
