As New Coastal Architecturally Designed Townhome

Space. Privacy. Luxury. Beachside living without the maintenance.

This exceptional near-new, architecturally designed townhome delivers the rare combination of substantial family-sized living, privacy, luxury and effortless coastal lifestyle.

Positioned in a boutique complex of just six and completed in 2022, the home enjoys an enviable position directly alongside Kirra Oval (Eximm Oval), with a vast expanse of green space right on your doorstep. For families, it is an incredible extension of the home - perfect for older kids to kick a ball, run around and stretch their legs, while providing wonderful space for pets. And the best part? You get the feeling of having a huge backyard without the upkeep.

Just a short walk to Kirra Beach, this is a lifestyle designed around more time enjoying the coast - morning surfs, beach walks, coffees in Kirra, afternoons at the oval and relaxed evenings with family and friends.
