Anchoring the main living area is a beautifully appointed kitchen, purpose-built for scale and performance. A long island bench provides generous prep space, complemented by quality cabinetry, a gas cooktop and extensive storage. A walk-in pantry ensures the kitchen remains both practical and polished.

Outside offers an oasis for entertaining and relaxing. A covered alfresco makes outdoor dining a year-round option, while the backyard opens up to landscaped surrounds and a sparkling in-ground pool, offering a private retreat for families who value space and recreation without compromise. The landscaping and pool were completed by Brisbane's multi-award-winning pool and landscape specialists, Aesthetic Pools and Landscapes.

Accommodation is thoughtfully zoned across both levels. The ground floor includes a full bedroom and bathroom, ideal for guests or extended family, while upstairs hosts a substantial secondary living area overlooking the void below. The main bedroom is a true retreat, featuring generous proportions, a private balcony, walk-in Kinsman robe and a well-appointed ensuite. Four additional bedrooms sit on the upper level, serviced by two stylish ensuites, providing flexibility and comfort for growing or multi-generational households.

Throughout the home, finishes are cohesive and contemporary, supported by ducted air conditioning and heating for year-round comfort. Storage has been carefully considered, with walk-in linen, built-in cabinetry and a secure double garage completing the practical elements of the design.

Enjoy outstanding day-to-day convenience close to Coorparoo Square, Camp Hill Marketplace, Whites Hill Reserve, Greenslopes shopping and Coorparoo rail services. The home is also within the Greenslopes State School and Coorparoo Secondary College catchments, with a strong selection of respected schools nearby.

Delivering rare land size, solid construction and a highly flexible six-bedroom configuration, this is a home that responds effortlessly to modern family life.
