Room To Move

Well, it's time to move on after being enjoyed as the family nest for nearly six decades and we are now ready for new owners to make it theirs. This solid brick beauty in good condition is sitting on a generous allotment of approximately 1997sqm. A functional, traditional layout with heating and cooling, ceiling fans, kitchen/dining, separate lounge, terrific workshop/studio, plenty of undercover parking and a large covered entertaining area out the back. You'll love being tucked away in the peace and tranquillity of this popular Adelaide Hill's hideaway location with a big back yard providing plenty of room for the little ones and pets to play or to pursue your own hobbies in the garden. Within walking distance of the dog park, playground and public transport and just a short drive to local schools. Sure to appeal to those seeking a quiet spot to call your own while being within easy reach of the freeway, Crafers township, Stirling and around a 20 minute drive to the city. Your tree change awaits, don't miss out!
