Single Level Haven

Set in a quiet, tightly held complex, this single-level two-bedroom home has been fully renovated throughout, giving it a fresh and welcoming feel. The layout is practical, with an open living space that connects nicely to the updated kitchen, all finished in modern, neutral tones that suit any style.

Both bedrooms are a good size with built-in storage, and the bathroom has been upgraded with quality fittings. The laundry includes external access, adding to the home's overall functionality. Every improvement has been done with ease of living in mind, making it a move-in-ready option. There's also a single garage with a remote door plus an additional separate car space, a rare bonus in a complex like this.

The rear courtyard is one of the standout features - a generous timber deck with built-in seating, offering a private outdoor area for entertaining, relaxing, or enjoying quiet afternoons. It's low-maintenance and well set up for year-round use.

The location is another big plus, with easy access to the main arterial roads into Canberra, nearby bus stops, and local parks and walking paths close by. You're also only minutes from Queanbeyan's shops, cafes and schools.
