

Crestwood, Unit 19/6 King Street

Light and Bright

An inspection for this well maintained 2 bedroom apartment on the second floor is highly recommended. The property boasts several attractive features that make it a comfortable and convenient living space, including an updated kitchen with an island bench, a new oven and cooktop and also ample cupboard space and storage, making it a practical and functional area for cooking and meal preparation.

The combined bathroom and laundry are filled with natural light and have been updated. This dual purpose space adds to the overall convenience of the apartment. Bedrooms are segregated providing privacy and both come with built in robes for added storage. Sliding door access from the living area leads out to a sunny balcony, offering a pleasant outdoor space.

There is also a covered parking underneath and plenty of visitor parking space.
