Renovate or Rebuild

Set on a quiet street just 350 metres from the beach, this simple fibro cottage presents an opportunity to renovate, reimagine or start fresh in a tightly held coastal position.

Occupying a large, leafy 768m² block, the value here is undeniably in the land and location. The existing improvements include a two-bedroom cottage, detached garages and an older-style granny flat, offering scope for those with vision.

The cottage features an open plan kitchen, living and dining area, centred around a cosy fireplace. Two good-sized bedrooms are complemented by a combined laundry and bathroom, with a separate toilet.

The property is currently tenanted, and inspections are available strictly by prior appointment.

Opportunities of this nature with large land, quiet street, Cudmirrah Beach at one end and National Park at the other are becoming harder to find. Call John or Unity today to find out more.
