points provide seamless entry to each residence, individually or collectively! Offering the option to combine into one expansive, grand home without compromise.

This versatile tri-living layout offers the perfect balance of lifestyle and income, allowing the home to be easily divided between upstairs and downstairs living. The upper levels can be enjoyed by extended family, featuring a private, self-contained retreat ideal for independent living while still remaining connected under one roof. Meanwhile, the lower level presents an outstanding rental opportunity, currently configured to generate strong returns with its own amenities and separation, creating a seamless blend of comfortable family living and a highly lucrative income stream!

The Main Residence - Nothing short of breathtaking, an expansive, light-filled haven where modern elegance and everyday comfort converge. Skylights flood the open plan kitchen and living zone with natural light, enhancing the homes clean lines, quality textures, and sophisticated palette. The kitchen itself is a statement of style and functionality, seamlessly connecting to multiple living and entertaining zones.

The adjoining timber deck is a true highlight - an elevated outdoor sanctuary where you can enjoy morning sunrises and unwind in the evening with sweeping northern views. Inside, a versatile multipurpose room offers further flexibility as a media room, additional lounge, or easily converted back to a fourth bedroom.

The master retreat embodies luxury living, featuring a custom-fitted walk-in robe and an oversized ensuite finished with premium fixtures and a refined, contemporary design. Bedrooms two and three are equally impressive, each fitted with bespoke cabinetry and positioned alongside a secondary living area. Perfectly designed as a private wing for children or guests, reinforcing the homes thoughtful layout and superior finish.

Residence Two - A showcase of intelligent modern design, where quality craftsmanship meets efficient use of space. A sleek, timeless kitchen with premium fittings and ample storage anchors the open living area, while the bedroom is complemented by a stunning ensuite featuring skylights, designer finishes, and a luxurious feel rarely seen in secondary dwellings. Ideal for extended family, a teenager's retreat, or a high-yield rental, this space maintains the same exceptional standard seen throughout the home.

Residence Three - Elevates the offering even further, presenting a striking industrial-modern aesthetic paired with complete privacy. With its own separate side access, this fully self-contained space is ideal for dual living or premium rental potential. Expansive windows enhance the sense of space and light, while the open-plan design flows effortlessly onto a private deck. The bedroom and ensuite continue the homes theme of high-end finishes and calming, contemporary design, flowing effortlessly to a private outdoor courtyard - an inviting extension, perfect for quiet mornings or relaxed evening unwinding. Framed by lush greenery for complete privacy, this tranquil setting is further enhanced by the addition of an outdoor shower, creating a true resort-style experience.

Beyond its visual appeal, the home has been designed with practicality in mind, offering extensive subfloor storage, low-maintenance grounds, and multiple elevated outdoor spaces, all crafted to the same exceptional standard.
