

30 Jargoan Approach, Dalyellup

Brand New, Never Lived In, Ready for You!

Skip the build and start living. Built in 2026 and never lived in, this four-bedroom, two-bathroom home is ready to enjoy in a great pocket of Dalyellup. Every last detail is taken care of.

Simply move in and make it yours.

For families ready to move beyond three bedrooms and one living area, the layout gives everyone a little more breathing room. Open-plan living and dining brings the household together, while a separate formal lounge makes space for movie nights, a kids' retreat or a quiet moment to yourself.

The kitchen sits at the heart of everyday life, with quality appliances and a handy scullery nook to keep the benchtops clear when school lunches, homework and dinner prep all arrive at once. An ensuite with a separate toilet adds another thoughtful touch to the morning routine.

With a generous house on a manageable 377sqm block, there's room to spread out without spending every weekend looking after the yard.
