Endless Dreams and Possibilities: Rare Church Opportunity!

Ever dreamt of owning your very own church? This incredibly rare opportunity presents a unique blend of character, space, and versatility. Originally rebuilt after the 1969 bushfires, the church retains its charming facade, opening the door to a world of future possibilities (STCA).

Set on a generous 7,284 sqm (approx.) allotment with three road frontages and located in the peaceful township zone, this property offers boundless potential. Whether you're looking to create a unique home, boutique accommodation, business premises, a wedding venue, or continue its use as a place of worship, the choice is yours - all subject to council approval.

A true blank canvas with undeniable presence, this is a once-in-a-lifetime chance to secure a piece of local history and shape it into something truly special.
