

Dayton, 144 Arthur Street

Investor's Dream Revamped: Modern Cashflow Haven

Presented by Jason Chan

Welcome to 144 Arthur Street, Dayton -a contemporary investment gem that seamlessly blends modern design with unbeatable profitability. Nestled on a low-maintenance 223 sqm block in the thriving Dayton community, this three-bedroom, two-bathroom residence is a rare find for savvy investors or those seeking a hassle-free rental opportunity. Approved under the National Rental Affordability Scheme (NRAS) until 2026, it's primed to deliver steady income and generous incentives once tenanted. Fresh and modern-this is your chance to secure a great yield property in a high-demand location.

Step inside to a sleek, open-plan layout where the kitchen, dining, and living areas flow effortlessly-an ideal setup for tenants craving functionality and style. The kitchen stands out with stone benchtops, gas cooking with a trendy rangehood and a double fridge recess. The master bedroom offers a mirrored built-in robe and a private ensuite, while two

additional bedrooms each with built-in robes, provide flexible living options. A split-system air conditioner keeps the main living space comfortable year-round, ensuring tenant satisfaction with minimal upkeep.

Outside, practicality meets appeal. The enclosed courtyard patio is paved and low-maintenance-perfect for tenants to enjoy without the burden of a large yard. A second courtyard off the laundry adds convenience for washing, and a double lockable garage with rear lane access and storage, paired with ample visitor parking on Arthur Street, seals the deal. Built in 2016, this home is designed for efficiency and longevity, making it a standout choice for investors.
