

43 Nathan Street, Deakin

Classic Red Brick Opportunity in a Prestigious Location

There's something grounding about a genuine mid-century Canberra red brick home, especially on one of Deakin's most tightly held streets. Set behind a wide frontage on Nathan Street, this is the kind of property buyers wait for. Solid, single level and full of opportunity.

Held by the same family since 1983, the home presents a practical layout with multiple living areas and generous accommodation.

As you enter, a central hallway connects you to the main living and dining spaces, filled with natural light and offering a comfortable footprint to update over time. The kitchen flows easily to the family and dining areas, creating a functional hub of the home. A separate study adds flexibility for those working from home.

The bedroom wing provides excellent versatility. Two bedrooms include built-in storage, while the main bedroom features a walk-in robe, ensuite and an adjoining multipurpose room ideal as a nursery, library, dressing room or private retreat. A fourth bedroom sits separately and can function as a guest room or additional office space. The main bathroom includes a bath and shower, with a separate toilet for convenience.
