

Deeragun, 12 Laura Court

Hidden Gem with nine car spaces, must see it to believe it

At the very end of a quiet cul-de-sac, tucked away in the heart of Townsville's fast-growing Northern Beaches, sits a home that stands out, not just because of how it looks, but because of what it offers.

From the moment you turn into the court, it catches your eye. Solid block, sturdy and confident, this home isn't pretending to be something it's not.

It's practical, it's welcoming, and it's absolutely loaded with potential. Out front, there's a massive undercover area that's big enough to park the biggest caravan you've ever seen or the largest family boat with ease. And that's just the beginning.

Hit the button on the electric roller doors and you're greeted with a surprise: more space than most homes offer in their entire footprint. Insulated sheds with room for nine more cars undercover.

Yes, nine. Whether you're a tradie looking to build your dream workshop, someone who needs space for all the toys, or you're picturing long lunches with friends under twinkling fairy lights in a giant outdoor entertaining area, this home has the room for it all.

Wander through the sneaky gate out the back, and you'll find a little secret: direct access to the nature reserve. Perfect for Sunday afternoon BBQs, a kids' adventure zone, or simply watching the sun dip behind the trees with a cold drink in hand.

Step inside, and the surprises continue. The home has been thoughtfully updated in all the right places. Fresh paint gives it a bright, clean feel.

The bathroom has been stylishly modernised and the kitchen? It's a showstopper! Crisp white, modern, with floor-to-ceiling cabinets that don't just look great but mean you'll never have to dust up top again.

This isn't just a house. It's a story waiting to unfold. The perfect starter home for a young family who wants space to grow, or a dream come true for a tradesperson ready to bring their work and lifestyle together under one very solid roof.

In a location where millions have been poured into new schools, vibrant shopping precincts, family parks, and of course, those stunning beaches; this is more than a smart buy, it's your chance to be part of what's next for Townsville's Northern Beaches.

Come see it for yourself. Because once you do, you'll know-it's something special.
