

Deloraine, 65 East Barrack Street

Affordable Home in Deloraine

Set on a generous 927 sqm elevated block, this home originally built around the 1900's is ready for a fresh start. With 2 bedrooms and 1 bathroom, separate dining room and lounge room and a carport, it is brimming with potential for those willing to roll up their sleeves and bring its classic character back to life.

With a style typical of the era the front veranda has been built in for extra storage or as a sunroom, the yard features out buildings, rose bushes, room for a vegie patch and the quintessential picket fence.

Yes it needs work, but where else can you find a home this affordable on a large block close to a bustling town, district hospital and schools.

Deloraine offers the perfect backdrop for your new project, with its vibrant community, stunning natural beauty, and a lifestyle that's all about fresh air and community involvement. Whether you're looking to create your dream home or add value, this is an opportunity you don't want to miss.
