boutique, high-end developments, "Karinya" reflects uncompromising standards of construction and finish. Every inclusion has been meticulously curated - from designer interiors to superior materials - resulting in homes of enduring quality and timeless appeal.

Spanning an impressive 205sqm of internal living, Residence 6 stands proudly toward the front of the development, basking in prized northern orientation and framed by 124sqm of landscaped gardens. The grand double-storey design delivers four generous bedrooms and three exquisite bathrooms, perfectly balancing flexibility with luxury.

On the ground level, the master retreat offers privacy and indulgence, complete with walk-in robe, a beautifully appointed en suite and access to a private balcony. Two additional bedrooms with built-in robes and a designer main bathroom complete this level, alongside the double automatic garage with internal access.

Upstairs, light floods the expansive open-plan kitchen, living and dining domain. Engineered timber flooring, 2700mm ceilings and square-set cornices create a sense of volume and sophistication. The designer kitchen is a centrepiece - appointed with 40mm stone bench tops with waterfall edges, premium SMEG appliances, bespoke joinery and seamless integration for entertaining. Large expanses of double glazing frame the leafy outlook, while the private balcony captures the spectacular parkland and valley views beyond.

Additional features include ducted reverse-cycle heating and cooling (two zones), floor-to-ceiling tiled bathrooms, a feature 2340mm front door with electric smart lock, three-phase electric hot water, LED lighting throughout, individual meters, lockable street-access gates and individual bins - ensuring both luxury and independence.

With an impressive 6.0 EER, 205sqm of internal living, 40sqm double garage and beautifully curated outdoor spaces, Residence 6 at "Karinya" represents an extraordinary opportunity to secure one of Denman Prospect's finest townhomes.
