space and power, allowing everyday appliances such as the kettle, toaster and coffee machine to be neatly tucked away while remaining ready to use, keeping the kitchen clean and clutter-free.

The clever three-level design provides excellent separation. The private main bedroom features a walk-in robe and ensuite, while bedrooms two and three offer excellent built-in storage. A stylish main bathroom with bathtub and separate powder room add further convenience.

Downstairs, the additional living space offers a versatile indoor-outdoor entertaining area, with bi-fold doors opening seamlessly onto the beautifully landscaped courtyard. The space provides genuine flexibility and has previously been utilised by the vendors as a one-bedroom studio, successfully achieving \$390 per week in rental income and creating an attractive passive income opportunity. Alternatively, it could be used as a teenager's retreat, home office, parents' retreat or guest accommodation.

Outside, the balcony captures the expansive reserve outlook, while the enclosed courtyard provides a private, easy-care outdoor space with gate access to Holborow Avenue. Practicality has been well considered, with a European laundry, under-stair storage, double-glazed windows and doors, ducted heating and cooling, Carbine electronic door locks, and an oversized double garage.

Whether you're a first-home buyer, downsizer or investor, this is an opportunity that offers quality, flexibility and genuine lifestyle appeal.

With nature at your doorstep and Denman Village just a short stroll away, this is a home that deserves to be seen.
