Renovated Delight

Built in 1952 this home has been transported into the modern era with a renovation completed in 2019. This home delights with its gorgeous style and excellent layout. The kitchen is bright and spacious and includes a dishwasher and more recently a new oven. There is a large pantry and a built-in dining table or extra bench space incorporated into the kitchen. The entertainment deck sits in a convenient position straight out from the kitchen area and is the perfect spot to keep the BBQ ready to go. Stunning Tasmanian Oak polished floorboards are a feature in the living area, and you will find quality carpets in the 3 bedrooms. All bedrooms are of a generous size and while not built-ins, the property does have wardrobes included for each bedroom. The main bathroom is superb with stylish tiles under foot, a bath tub, hand basin and the main shower. There is a heated towel rail and a huge storage area for your linen in this space as well. A very clever use of space sees a second bathroom that combines with the laundry. There is also a carport, a garden shed, the fences are in good condition and there is a reverse cycle air conditioner to keep you cosy and warm. This home is a comfortable option for those that are first home
