

201 Steele Street, Devonport

Steele the One

Encompassing multiple living zones and layout options and this home provides a generous space for larger families. The solid three-bedroom home has been tastefully renovated over the years.

As you enter there is a lovely sun-room providing the added functionality of a cloak room or mud room. Inside the home there are three separate living areas or rumpus rooms. The large main living area faces North and the raked ceiling makes this room feel even more spacious.

The kitchen and dining area is a focal point of the home and features a gas log fire. The kitchen is stylish and functional for the chef to enjoy. The master bedroom is a great sized room and features an updated ensuite and access to the back yard through sliding doors. The modern main bathroom consists of a large separate shower, vanity, toilet and a lovely freestanding bath. The extra two areas towards the back of the house would make great gyms, rumpus rooms, office space or teenagers' retreat. There is also a little work-space and a mezzanine floor storage area.

Conveniently connected to the mains gas for all your heating and hot water, it's efficient, reliable and environmentally friendly. The backyard is a relaxing outdoor oasis with different levels of decking, open and undercover areas for you to soak up the sunshine while entertaining with little grass to be maintained. The rest of the garden and outdoor areas were designed for easy care.
