

36/12 Challis Street, Dickson

Immaculate Inner-North Living, Ready From Day One

Polished, private and positioned in one of Dickson's most connected pockets, 36/12 Challis Street presents an effortless inner-north lifestyle with nothing left to do but move in.

Immaculately maintained throughout, the residence combines a spacious bedroom with a dedicated full-size study, creating the flexibility to work from home, accommodate guests or establish a genuine second living zone.

The interiors feel crisp and considered, with an open-plan living and dining area flowing naturally from the kitchen and creating a home that feels both comfortable and refined. Every space has been exceptionally well cared for, making this an ideal opportunity for buyers wanting a property that is completely move-in ready.

The location completes the package. Dickson's restaurants, cafés, shops and everyday conveniences are moments away, while the light rail provides an effortless connection through the Inner North and into the City.
