## All of Dickson's Best, Just Downstairs

Tucked away in the popular DKSN complex in the heart of Dickson, this beautifully presented one-bedroom apartment represents outstanding value in the Inner North - combining location, lifestyle, and a quality finish that means you can move straight in without lifting a finger.

On level six, the home offers a genuinely spacious open-plan floorplan bathed in natural light. The kitchen impresses with stone benchtops, an island bench with undermount sink, and no shortage of storage, complemented by a Smeg stove, Smeg oven and integrated dishwasher - with a stylish pendant lightbar completing the look.

Hybrid timber flooring in a warm oak tone flows throughout the light-filled living area, leading out to your own private balcony - accessible from both the living room and the bedroom - where elevated, leafy views stretch over the treetops to Black Mountain and the surrounding ranges.

The generously sized bedroom includes a built-in wardrobe and direct balcony access, while the bathroom has been finished with floor-to-ceiling tiles and clever storage behind the mirror. A built-in study nook
