Modern, Spacious & Perfectly Positioned in Dickson

Auction Location: LJ Hooker Canberra City

Tucked within the sought-after Santana complex, this double-storey townhouse delivers space, style and a location that's genuinely hard to beat - just moments from the Dickson shops, cafes and everything the Inner North does best.

From the moment you step inside, the home opens up into a light-filled living and dining zone, with polished concrete floors underfoot that bring a warm, contemporary edge to the ground level. It's a space built for real life - big enough for the family to spread out, and easy enough to keep low-maintenance day to day.

The kitchen sits at the heart of it all, and it doesn't hold back: stone benchtops with an island for the morning coffee rush, a 900mm gas cooktop, integrated dishwasher, undermount sink and a generous walk-in pantry doing double duty as the laundry - everything has its place, and there's no shortage of storage. A separate powder room downstairs adds everyday convenience - especially handy when you're entertaining.

Upstairs, three bedrooms all come with built-in robes and their own ceiling fans, led by a master retreat with a large robe and private ensuite featuring a floating double vanity and floor-to-ceiling tiles. The two additional bedrooms are well served by a beautifully finished main bathroom with a floating vanity, bathtub, floor-to-ceiling tiles and a separate toilet for busy mornings.

Comfort is taken care of year-round with Toshiba ducted reverse cycle heating and cooling, Rheem continuous gas hot water, and a voice and video intercom system for peace of mind. Storage is everywhere you'd want it, including a clever nook under the stairs - and downstairs in the basement you'll find your own secure double lock-up garage.

Outside, the north-facing front courtyard is a genuine highlight - freshly turfed and framed by established hedges for privacy, it's a spot that catches the sun and invites you to slow down.
