

1907/241 Harbour Esplanade, Docklands

Designed to Breathe: Light, Space & Harbour Views at 1907/241 Harbour Esplanade

Step inside this thoughtfully crafted Docklands apartment, where every room feels connected-to the outdoors, to the light, and to the rhythm of waterfront living. Please note, this property is currently tenanted, with the occupant on a month-by-month lease arrangement.

The layout is built around how you actually live. A spacious living zone opens onto a generous balcony-not just an afterthought, but a true extension of your indoor space. Whether it's morning coffee or evening drinks, the harbour becomes part of your everyday.

The separate dining area sits comfortably off the kitchen, creating a natural divide between entertaining and relaxation. Both bedrooms are generously proportioned with built-in robes, offering peaceful retreats away from the living zones.

Practical touches matter here too: a dedicated laundry, powder room, and kitchen with dishwasher are all thoughtfully integrated. And with two secure car spaces, this is a home that works as hard as you do.
