

Don, 4 Jiloa Way

Tightly Held Location

Welcome to this brick, three bedroom, two bathroom family home. Lovingly built by the current owner the home has also had many upgrades since the original build. Updates include the kitchen, floor coverings, blinds and window furnishings and they also added a large 20 panel solar system.

The location is highly sought after with the school close by and access to the walking tracks into Devonport just down the road. It is also a very short drive into the Devonport CBD. A sunny open plan lounge, kitchen and dining area makes for the perfect place for family to enjoy time together while there is also a second living space and the bedrooms are towards the rear.

The property is well fenced with a very flat and low maintenance yard and there is a car port on the driveway side with direct access to the home. There are also garden sheds and a sail cloth covering over a handy little entertainment area.
