Approved Plans and Permits - 3 Townhouses, each with 3 bedrooms!!!

Welcome to 11 Blossom Drive. Neatly presented and offering a decent list of valuable items, the real drawcard for this property is its highly desirable 683sqm of land, situated in a quality suburban location with close proximity to schools, parks, shops, places of worship and more. Protected by an electric secure vehicle access gate, the home sits confidently in red brick, with black window surrounds and an abundance of off-street driveway and gated parking to the side and rear of the home. Plans and permits are in place for redevelopment, if required.

Despite a compact layout, the home comfortably offers three well-sized bedrooms, separate living and kitchen/dining zones and full-size bathroom and laundry. Polished timber hardwood floors are found throughout, and the living room is uber cosy with a fireplace, split system air conditioning and window furnishings. Ducted heating is throughout, which is a big tick on many buyers' lists.
