

8 Laburnum Grove, Doveton

Prime 798sqm (Approx.) Allotment with Exceptional Development Potential

Positioned in a quiet pocket of Doveton, this well-maintained residence presents an exceptional opportunity for developers, investors or forward-thinking buyers seeking strong future growth potential. Set on a substantial allotment, the property offers flexibility to move in, lease out, or capitalise on approved development plans.

The existing home features a practical layout comprising three bedrooms, a central living area, functional kitchen with adjoining dining space, bathroom, separate WC and full laundry. A carport and workshop provide additional convenience and storage, while the generous land surrounding the home enhances its long-term value.

What truly sets this property apart is its outstanding development potential. With plans and permits already approved for two additional units at the rear of the existing dwelling, the groundwork has been laid for a rewarding multi-unit project. Alternatively, buyers may explore the possibility to further maximise the site with a three-unit development (STCA), or retain the current residence and construct a new dwelling at the rear for dual occupancy flexibility.
