

11/16 Bradfield Street, Downer

Sunlight, Space and the Best of Downer at Your Doorstep

This delightful Bradfield apartment delivers a rare combination of generous proportions, thoughtful design, and a location that continues to grow in demand. Its north facing orientation brings light into the living area, bedroom, and balcony throughout the day, creating a bright, comfortable atmosphere that feels immediately welcoming.

The kitchen is designed for people who actually use their kitchens, featuring substantial bench space, excellent storage, and a practical breakfast bar. The bathroom is large for an apartment of this size, and the European laundry adds discreet convenience without compromising space.

The bedroom includes a built in wardrobe and direct access to the balcony. This outdoor area is more than a token addition; it's a usable extension of your living space. Whether it's a quiet morning coffee or an evening meal outside, this is the perfect place to enjoy the sunny northern aspect.

Location is everything, and here you're surrounded by everything that makes the Inner North so sought after. Just a few steps away, the vibrant Downer Shops have become a focal point for locals. Gang
