A Big Backyard and an Even Bigger Future

From the moment you step inside, this home feels like the kind of place where stories unfold. Where dogs race across the backyard, where little feet patter down the hallway in the early morning, and where daily life feels effortless. 6 Rocklands Street, Duffy is a place to call home, and it is now beckoning for its next young family to love.

The home is picturesque from the street, framed by a generous lawn and a quaint front porch that creates an inviting first impression. Inside, the open plan living and dining area is bathed in natural light, courtesy of the large front windows, while the kitchen takes centre stage. Designed for both practicality and connection, it features a substantial island bench that doubles as a breakfast bar, the perfect spot for Sunday morning pancakes. Overlooking the backyard, it allows you to prepare weeknight meals while keeping an eye on kids or pets as they play outdoors.

Each of the three bedrooms includes built in robes, and large windows in every room continue the sense of light and airiness throughout. Ceiling fans in all bedrooms and a reverse cycle unit in the main living area provide year round comfort. The bathroom has been tastefully updated, and a separate laundry with external access adds everyday
