A Cherished Family Haven on a Rare 1,435m² Garden Sanctuary

Auction Location: On Site

Originally constructed circa 1970 and thoughtfully extended to create a far more generous footprint than many of the original homes in the area, 9 Paloona Place is set on an exceptionally rare 1,435m² parcel of land, almost double the size of a typical block in the area, where generations have gathered, children have explored, and gardens have flourished.

Surrounded by beautifully established native gardens that provide a wonderful sense of privacy and seclusion, the home makes an inviting first impression, with abundant off-street parking and a charming entrance framed by greenery. Inside, natural light fills the spacious formal living room, where every window captures peaceful garden outlooks. A feature fireplace, timber-panelled walls and warm character details create an inviting space to relax, while a walk-in pantry with wet bar is cleverly positioned adjacent to the kitchen, offering exceptional versatility as additional storage, a coffee station
