Dunedin Central, 117 London Street

Excellent Location And Oh So Close To Town!!

A special location... elevated for those great views yet private for those family occasions. Upon entering the home and into the lounge the wow factor hits you with the home's generously sized open plan lounge and high-pitched ceilings that give you that grandeur of space and comfort provided with the pellet fire.

There is lots of natural light from all the windows facing the courtyard, a special place to relax or entertain on those special occasions. This area provides privacy with the established garden where you could easily be fooled into feeling you are on holiday at a luxury resort.

The three bedrooms are a good size and offer lovely views down the harbour, a bathroom with a shower for convenience, separate laundry, and lots of storage. On the street is a single garage, lots of basement storage, and an easy-care section. Only a few minutes' walk to the centre of Dunedin, so never worry again about that taxi ride home.
