Big on Space, Big on Lifestyle, Big on Location

Positioned opposite the twelfth green of the Dunsborough Lakes Golf Course, this oversized 4 bedroom, 2 bathroom residence delivers the perfect balance of space, comfort and location for growing families.

From the moment you arrive, the home makes an impression. A feature entry, extra wide paved parking area and established native, low-maintenance gardens create an inviting streetscape, while the quiet location adds to the sense of privacy and ease.

Inside, the scale becomes immediately apparent. High ceilings throughout the main living areas enhance the feeling of openness, while reverse cycle air conditioning ensures year round comfort. With generous proportions throughout, the home has been thoughtfully designed to comfortably accommodate larger families. The central kitchen is ideally positioned with direct access from the double garage, making everyday living and unloading groceries wonderfully practical.

pedestrian door through to the backyard, making it easy to move garden equipment, bikes or the lawnmower.

The rear of the home has been designed for relaxed outdoor living, with a spacious undercover entertaining area overlooking the fully fenced backyard. Reticulation to the rear garden helps keep maintenance to a minimum, creating a secure and practical space where children and pets can play freely.

The lifestyle on offer here is exceptional. Bluewater Lake and the new playing fields are just a short stroll away, while Dunsborough's town centre is approximately a 20 minute walk from your front door. For golf enthusiasts, the twelfth green is directly opposite, making this an enviable position within the estate.

Homes that combine this level of internal space, practical family features and a sought after golf course setting are becoming increasingly difficult to find. This is a home designed for families who need room to grow while enjoying one of Dunsborough's most desirable locations.
