creating a secure home base for all your recreational and lifestyle equipment.

The striking skillion roofline creates a contemporary street presence, while inside, light-filled open-plan living spaces are complemented by durable timber-look flooring throughout the living areas and bedrooms. The well-appointed kitchen is designed for both functionality and connection, featuring a gas cooktop, electric oven, generous storage and a central island bench where family and guests naturally gather.

Reverse-cycle air conditioning ensures year-round comfort, while the seamless connection to the outdoor entertaining area extends the living space beyond the home's walls. The undercover alfresco and deck provide a welcoming setting for relaxed summer evenings, weekend barbecues or quiet mornings with a coffee.

With fully fenced grounds and easy-care gardens, this is a property designed to be enjoyed rather than maintained. Lock the gate, pack the car and head away knowing everything is secure - making it an ideal lock-and-leave option for FIFO workers, frequent travellers and holiday homeowners alike.

What truly sets this home apart is its ability to cater to a wide range of buyers without compromise. It offers the security and convenience of a low-maintenance property, while providing the space and practicality often reserved for much larger homes. Whether you're storing the caravan between adventures, securing the boat after a weekend on the water, or simply seeking a home that offers flexibility for years to come, 14 Waldorf Road delivers a lifestyle that is both practical and increasingly hard to find.

Combining comfort, security and outstanding versatility in a sought-after location, this is a property that allows you to spend less time worrying about where everything will fit and more time enjoying the South West lifestyle that makes Dunsborough such a desirable place to call home.
