Room To Dream. Space To Grow.

There was a time when blocks in Dunsborough were generous. When families had room to spread out, kids could kick a footy in the backyard, sheds weren't a compromise and a pool didn't consume every square metre of lawn.

Those opportunities are becoming increasingly rare.

Set privately at the rear on an incredible 1,178sqm parcel in one of Dunsborough's most sought after beachside pockets, this is far more than just a beautiful home. It's a property that offers space, flexibility and a future that's becoming almost impossible to find.

With more than 500sqm of usable land at the front of the property, the possibilities are enormous. Imagine a resort style pool, a substantial powered shed, an ancillary dwelling for extended family or additional income... or all three. It's the sort of opportunity that simply doesn't exist on today's smaller residential blocks.

Beyond the impressive landholding sits a home that's been finished to an exceptional standard. Bathed in northern sunshine and cooled by afternoon sea breezes, it enjoys a peaceful outlook across
