Located in the highly sought-after Cape Rise Estate, this 227sqm barn-style residence blends coastal mid-century modern design with generous proportions and thoughtful functionality. Set on a spacious 749sqm block, the home features four well sized bedrooms, including a master suite with private ensuite and a central family bathroom, offering the ideal layout for families or those who love to host.

The open-plan living zone is the heart of the home, framed by striking 5.9m raked ceilings that invite natural light and volume into the space. A separate family room and study nook provide flexible living options, while a practical laundry adds everyday conveniences. The interiors are carefully curated for comfort and style, balancing a relaxed coastal feel with timeless architectural character.

Outdoors, a covered alfresco area is perfect for entertaining year-round, complemented by ample storage space for your boat, caravan, or extra vehicles; ideal for a coastal lifestyle.
