## Welcome Home

This home has been lovingly cared for over the years and would make a comfortable family home perfect for the first home buyer or a solid investment property. The owner loved the renovated kitchen designed for the family that loves to cook and entertain with quality appliances and a large walk-in pantry. Both the back and front entrances have very handy entrance ways for shoes and jackets with the back covered area being suitable for a fernery or relaxing sitting area. The three bedrooms are of generous size with built-in robes and a walk-in robe in the large main bedroom. The main bedroom has its own toilet and vanity, and the walk-in robe is close by which would provide a great space to convert into a full en-suite. The yard is fully enclosed and secure making it perfect for gardens, and a safe space for kids and pets. The home has double glazed windows as well for efficiency and comfort. The fantastic part of this home is the large double garage and rumpus room. This is a functional space for gatherings and entertainment, and the garage is plenty large enough for two cars and a workshop.
