

71 David Street, East Devonport

Great for Families

Located in East Devonport this family home would make an excellent investment property or entry into the market. It features three bedrooms upstairs, the main has its own toilet and vanity. All bedrooms have built-in robes. This is a good size home with two decent sized living areas to allow you to have your own space and a separate downstairs room that would be great for a kids play area or rumpus room. A separate dining room has access out to the large timber deck and the Kitchen has been updated from original. The Bathroom has also been updated from original and includes both shower and separate bath. The property has a Colorbond Garage or workshop and is in a quiet no through street close to schools, shops and transport.
