Architectural Excellence!

Architecturally striking and unapologetically luxurious, this East Perth residence delivers a level of finish and scale rarely found so close to the city. From the moment you arrive, the contemporary facade sets the tone, with clean lines, stunning lush greenery, and a strong street presence that hints at the sophistication within.

Inside, soaring ceilings and expansive glazing create an immediate sense of volume and light. The main living zones are open yet refined, anchored by stunning tiled floors and warmed by extensive timber detailing to the ceilings and joinery. The kitchen is a true centrepiece, designed for both form and function. Generous stainless-steel benchtops, sleek custom cabinetry, premium appliances and a substantial island bench make it equally suited to hosting or quiet nights in. Featuring a commercial grade gas stove, large overhead rangehood and a built-in-fridge/freezer, every aspect is thoughtfully designed.

Accommodation is thoughtfully spread, offering privacy and flexibility.

The master retreat is particularly impressive, with a calm, elevated feel. Bathed in natural light, featuring a neatly tucked away walk-in-robe and a luxe walk-through bathroom with a large bath tub, this master bedroom rivals any five-star suite. Upstairs, there are another two bedrooms that are generously sized, whilst downstairs, there is another spacious bedroom with access to its own ensuite bathroom. The bathroom continues the luxury theme with statement tiling, floating vanities and high-end fixtures, consistently delivering that hotel-like experience at home throughout.

Practicality has not been overlooked, with a large secure basement garage, extensive storage, a wine cellar, a separate laundry, adding to the smart design touches throughout. Every detail feels intentional, from the lighting to the materials palette, creating a cohesive and timeless aesthetic.

Set in one of East Perth's most desirable pockets, this home offers a rare combination of architectural flair, privacy and proximity to the CBD, riverside walks and lifestyle amenities.
