bathroom is complemented by a separate toilet and an internal laundry. With split-system air conditioning, ceiling fans, and evaporative cooling, you'll be comfortable through every season. The large, high-clearance workshop offers a functional space for tradies and tinkerers alike, while the unique feature of a dedicated cool room – complete with a new compressor, yet to be fitted – is ideal for anyone needing temperature-controlled storage. Whether you're preserving produce, storing supplies, or planning your next big event, this is a practical addition to the home.

Shut the front gates and be instantly transported to your own private forest, where tall trees create a canopy of shade and serenity. Relax on the paved patio with a cool drink, surrounded by nature in the fully fenced yard with plenty of room for the kids, pets, and your creativity to run free.

The fabulous East Side location adds to the appeal, with schools, the university, parks, the IGA, and Club Eastside all within easy walking distance.

With established gardens, refreshed interiors, and plenty of space and potential to make it your own, this charming East Side retreat is a true winner. Don't miss your chance to secure; contact the office for an inspection.
