All three bedrooms are genuine doubles, with the main bedroom featuring its own ensuite. The beautifully designed family bathroom, along with the ensuite, both include under tile heating for added comfort.

Under the same roofline is a generous garage, while separate from the home is a three-bay purpose-built shed with electric roller doors and double glazed sliding doors, with a 2.7m door height. Water storage is well catered for with 93,000 litres, and the five paddocks provide excellent grazing control for whatever stock you choose to carry.
