

East Victoria Park, 35 Oats Street

THE HOME THAT HAS IT ALL!

** 1st Open Home Sat, 7/6/2025 **

Proudly presented by Edward Lim...

If homes could strut, this one would be on a catwalk. Stylish, charming, and seriously cool, this fully renovated character stunner from 1960 - with a chic two-storey extension added in 1975 - is serving up all the vibes. And guess what? It sits high on the hill in East Victoria Park, practically touching the sky with sweeping views of city lights and skyline magic. Yes, this is that house.

This isn't your average family home. With a striking dark and moody interior palette, think bold black accents, sleek finishes, and an effortlessly cool vibe that sets the tone from the moment you walk through the door. It's modern, it's stylish, and it's absolutely perfect for families who want something a little extra.

Inside, you're welcomed by a formal lounge that feels like a warm hug from your favourite blanket. It's the perfect place to kick off your shoes and grab a glass of wine.

The heart of the home? Oh, it's a showstopper! The fully updated kitchen flows seamlessly into the dining area - perfect for family dinners, birthday parties, or those quiet moments over morning coffee. With stunning jarrah floors underfoot, high ceilings overhead, and all the modern bells and whistles (yes, even a dishwasher because you deserve it), every inch screams stylish comfort.

Four generously sized bedrooms (each with robes!) provide cosy retreats for every member of the family - kids, teens, guests, or even that four-legged fur baby. Two bathrooms, including one beautifully upgraded from top to bottom, means no more morning queues!

And wait for it... the real magic unfolds upstairs. A second living zone that doubles as a bar, games room, office, or all of the above? Yes please! Step out onto the enormous balcony and soak up the glittering city views - sunset cocktails, anyone?

But here's the kicker, this beauty sits on an R40-zoned block - yep, subdivision potential is on the cards! Whether you're planning future development, a savvy investment move, or just like the idea of added value down the track, this one's got the goods.

And just when you think it couldn't get better - the backyard delivers. Fully landscaped, lush and green, and packed with room to run, play, and chase bubbles. Whether it's trampoline time, a game of fetch, or a lazy Sunday picnic, this outdoor space is your personal slice of paradise.

Families, listen up: you're just a short stroll from Albany Highway's cafe & foodie scene, close to Aqualife Centre for weekend swims, minutes from the CBD, Curtin Uni, and the Swan River. And with public transport at your doorstep, school runs and commutes just got a whole lot easier!
