SERIOUS SHEDDING WITH MODERN HOME IN EASTWOOD

If space and storage is high on your wish list, this Eastwood property delivers in a big way.

Set on a generous 947sqm allotment, the modern four-bedroom home is designed for comfortable everyday living, while the real standout is the exceptional vehicle and workshop storage. A double garage is complemented by an expansive rear shed with room for up to eight vehicles, plus additional space to tinker, store equipment, or take on the next project. Cars, boats, vans, bikes or floats there's room for it all. Located in sought-after Eastwood, close to schools, shops, parks and walking tracks, this is a rare opportunity to secure serious shedding without compromising on a modern, comfortable home.

The kitchen is designed with both family living and entertaining in mind, featuring a butlers pantry that keeps preparation and mess neatly out of sight while you host in the open-plan living and family zone. Enhancing the home's entertaining appeal, the sunroom opens effortlessly to the formal lounge and family areas via stacker doors, creating a flexible, light-filled space ideal for gatherings both large and small.
