

10 Eagle Crescent, Eaton

Sweeping Estuary Views - Architectural Family Residence in Eaton

Set high on a generous 1,012sqm block above a lush green reserve, this contemporary two-storey residence looks across the playing fields to the shimmering Leschenault Estuary and Collie River and pairs striking design with relaxed family living.

Warm timber cladding and crisp white panelling give the home real street presence, while inside, gleaming hardwood floors, soaring natural light and a sculptural floating timber staircase set the tone. The heart of the home is a showpiece kitchen, with stone benchtops, a generous waterfall-edge island with breakfast bar seating, a feature tiled splashback, gas cooking and a separate scullery to keep the mess out of sight. It flows into the open-plan dining and living area, where wide stacking glass doors open onto the alfresco deck. This is where indoor and outdoor living truly merge.

Step outside to a covered timber entertaining deck overlooking the sparkling in-ground pool and a level, easy-care lawn. It's the perfect setting for summer barbecues and sunset drinks.
