

2 Breton Way, Eaton

The Ultimate Lifestyle Property

Designed with family living in mind, the home offers three separate living zones, giving everyone their own space to relax. A formal lounge at the front provides the perfect parents retreat, while the heart of the home is the spacious open-plan family and meals area. Large windows flood the space with natural light and frame views across the extensive outdoor entertaining areas, while the well-appointed kitchen sits perfectly positioned to keep you connected with family and guests.

The master suite offers a peaceful sanctuary complete with a walk-in robe and a beautifully finished ensuite featuring floor-to-ceiling tiling for a modern, low-maintenance finish. Positioned separately at the rear of the home, the children's wing includes three generous bedrooms, all with built-in robes, serviced by a neat family bathroom finished in fresh neutral tones.

Outside is where this property truly shines. Whether you're a caravan enthusiast, boating family, tradesperson or simply love entertaining, there's space for everything. A high-line gabled caravan and boat bay, excellent side access, powered shed and expansive wraparound gabled patio create the ultimate outdoor lifestyle. Complete with café blinds and ceiling fans, this versatile entertaining space can be enjoyed all year round.
